Lauretana Premium Mineral Water

Lauretana mineral water is sourced from springs located over 1000m above sea level. Its fixed residue is 14mg/l and coupled with its very low sodium content (0.87 mg/l) - makes a refreshing and very healthy beverage!

Terms and conditions of purchase:

- **No returns accepted after seven (7) days from receipt of goods and all credits / returns must be advised in writing and faxed to the office.**
- Unless a bona-fide line of credit exists, i.e. approved by Palatable Partners, ALL ORDERS ARE TO BE TREATED AS STRICTLY CASH ON DELIVERY.
- Outside the general South-East Queensland area we service directly, customers should elect their own preferred means of transport. Palatable Partners will undertake to deliver order (s) to a transport depot of railhead, however thereafter the customer is responsible for all freight costs.
- With some outlying areas, or areas we do not readily service a freight surcharge may apply. Where an order doesn't meet the minimum order requirement for delivery a freight charge will apply.
- While we endeavour to ensure all items of stock are available, no items can be guaranteed.
